It is seen from the figures given by the M1 Council for the past six years as detailed below that the expenditure except the years 1950-51 and 1954-55, has soared to the extent of above one thousand rupees. The Visit of distinguished Non-Lois to Ryan has contributed ~~materially~~ to the increase

8) The M1 Council have recommended to raise the limit to Rs 2,000/- towards the provision of lunch to Council and Committee meetings. The limit fixed by Govt to Rs 1,000/- may perhaps be raised to Rs 1500/- in view of the circumstances explained by the M1 Council. Ref para 6 supra

FROM

THE MUNICIPAL COMMISSIONER,

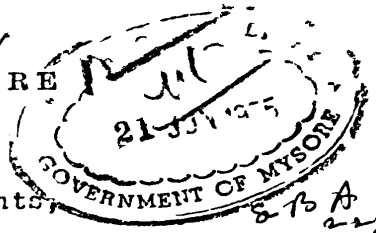
MYSORE



To Con 96 - 55

The Secretary to Government,
Education and L S G Departments,
Bangalore 1
(Through the President C M C Mysore)

Sir,

Subject Provision of lunch to Council and Committee meetings

Ref G O No L 3458-9/CR 3-50-12 dated 27-6-1950 and D O letter No 9039/10-9-1952 and this office letter No C2 CR 477/52-53 dated 11-10-1952

I enclose copies of the above Government Order and other letters for ready reference In the G O dated 27-6-1950, Government were pleased to sanction the proposal to supply simple lunch at the Municipal Council meetings and limited the total expenditure in this behalf to Rs 1,000/- As intimated in the letter No C2 CR 477-52-53 dated 10-10-1952 of this office referred to above, the lunch was being obtained at ten annas during 1951-52 and at eleven annas during 1952-53 and onwards as per rate approved by the Council The actual expenditure in this behalf during the past six years is as below -

1949-50	Rs 1406/-
1950-51	Rs 882/-
1951-52	Rs 1241/-
1952-53	Rs 1769/-
1953-54	Rs 1182/-
1954-55	Rs 947/-

On the basis of the expenditure incurred during past years, a provision of Rs 2,000/- is being made in the budget and voted for by majority each year and expenditure was being incurred on bills presented at the accepted rates

(2)

It is now observed that since in the Government Order dated 27-6-1950, the expenditure was limited to Rs 1,000/-, specific sanction of Government is necessary to raise the limit to Rs 2,000 Though the direction of the Government is kept in view, it has been found that, depending on the number of meetings held, the charges unavoidably exceed the limit prescribed and hence a modification to the Government Order so as raise the limit to Rs 2,000/- is necessary

I request you therefore kindly to obtain orders of Government in this behalf and communicate the same

The supply of lunch is being regulated by calling for quotations and obtaining acceptance to the supply from the accepted caterer

Yours faithfully,

(M Lakshman Rao)
Municipal Commissioner

I am desired to request you to intimate by return of post, the amount spent by the Mysore city Municipal Council for lunch served to the members of the Municipal Council per meeting, the rate at which each plate is charged, the total number of persons who attend the meeting to whom lunch is served and whether there is any Government order in this behalf.

Copy of D.O. letter No.C2.C R. 477/52-53 dated10-10-52 from the Municipal Commissioner, City Municipal Council, Mysore to the Assistant Secretary to Government, L.S.G.Department, Bangalore.

With reference to your D O. letter No 9039/10th September 1952 regarding the amount spent by the Municipal Council for lunch served to members of the Council for meetings I write to state that the rate per each plate of lunch served to the members of the Council during meetings was annas 0-10-0 during the year 51-52 and it is annas eleven only during the year 1952-53. The number of plates that are required to be supplied has been fixed at 55 the details therefor being 30 for Municipal Councillors and the rest for press correspondents and the Sectional Officers of the Municipality. But actually 44 plates are being got for every meeting in view of the fact that 11 members of one group of the Council have not been participating in the lunch. Consequently the cost of lunch served to the members at each of the Municipal Council meetings is Rs. 30-4-0 only. For meetings other than the Council meeting held in the afternoons, only coffee or tea is served while for meetings of Committees held in the mornings when there will be inspection rounds in the city light lunch is obtained at a cost of not exceeding annas 6 to 8 per plate, the number of plates depending on the strength of each committee.

There does not appear to be any Government order giving sanction to the rates for lunch served to the members of the Municipal council for meetings etc., A copy of the letter No.L S. 1592 P.W.R dated 23-11-49 from the Secretary to Government General Department, addressed to the Director of Resettlement and Employment and copied to the Comptroller, fixing the rate of lunch charges at not more than 0-12-0 per plate, is enclosed for perusal. Subject to this upper limit, the rate per plate of tiffin is being fixed from time to time by the Municipal Council.

A budget provision of Rs. 2000/- is being made annualy under H5 Lunch charges, the actuals for 1951-52 being Rs. 1241-1-0 . A sum of Rs. 770-12-0 has been incurred so far during the current year under this head

ORDER NO.L. 8333-34/CM 96-55-2

Dated, Bangalore, the 8-10-55

The proposal of the City Municipal Council, Mysore, is to raise the lunch expenditure to Rs.2,000/- per annum.

2. The lunch expenditure depends upon two factors:-

i) the rate per member and

ii) the number of meetings held in a year.

The average number of members attending the meeting would also affect the expenditure. To fix a lumpsum annually does not seem to be workable. It is considered better that per head rate is fixed.

3. Government are accordingly pleased to fix annas twelve per head per meeting for supply of lunch in the City Municipality on the basis on which Government are incurring expenditure in respect of their own meetings.
